Ernakulam — 9995681865 — mushabmahin777@gmail.com

Summary

BTech student in Artificial Intelligence and Data Science with hands-on experience in machine learning, web development, and real-time AI systems. Built projects including insider threat detection and voice-based applications. Strong in Python, ML, and full-stack development.

Skills

- **Languages:** Python, JavaScript, R
- **Frameworks/Tools:** React.js, Node.js, Flask, TensorFlow, OpenCV
- **Core Concepts:** Machine Learning, NLP, Computer Vision
- **Other:** Git, Data Visualization, REST APIs

Experience

Frontend Developer Intern

01/2023 – 07/2023

Yallo

- Built responsive UI using Nuxt.js and Tailwind CSS
- Collaborated with designers to implement user-friendly interfaces
- Optimized performance and fixed cross-browser issues

Projects

INSIDRA – AI-Powered Insider Threat Detection System

GitHub Link

- Developed a machine learning system to detect insider threats using behavioral drift analysis
- Implemented real-time anomaly detection with dynamic risk scoring and explainable alerts

Technologies: Python, Flask, TensorFlow, PostgreSQL, React.js

Smart Helmet Accident Detection System

- Designed a smart helmet that detects accidents and sends GPS-based alerts
- Integrated an overdrive switch to prevent false alerts within 10 seconds

Technologies: Arduino, MPU6050, GPS Neo-7M, GSM SIM800L

Voca AI – Speech Recognition & Voice Command System

GitHub Link

- Built a voice-enabled system for speech-to-text and customizable voice commands
- Enabled hands-free interaction with multi-language support

Technologies: JavaScript, React.js, Node.js, Web Speech API

THIRD EYE – Smart Energy Management System

- Developed a CCTV-based system to detect human presence and automate energy usage
- Designed for real-time monitoring and energy optimization

Technologies: Python, OpenCV, Computer Vision

Education

Bachelor of Technology: AI and Data Science

Expected 08/2027

Muthoot Institute of Technology and Science, Kochi

GPA: 8.86 / 10

Senior Secondary

01/2023

State Board

GPA: 98.4%

Secondary Education
State Board
GPA: 100%
